

WALAILAK UNIVERSITY

WU Land of Glory

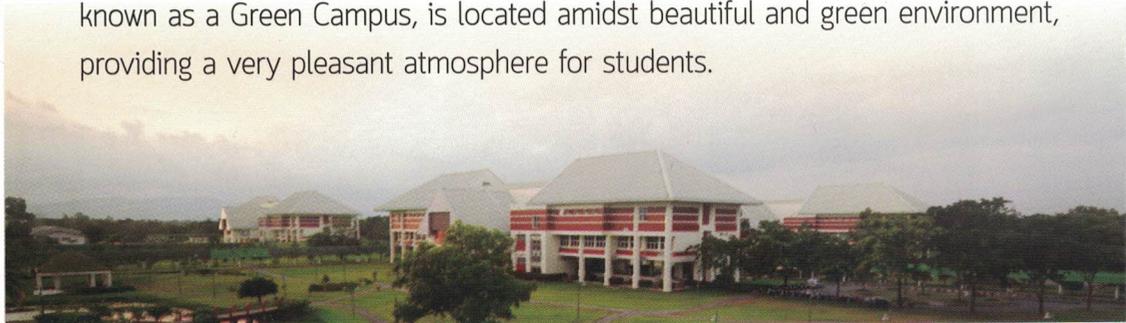

Walailak University

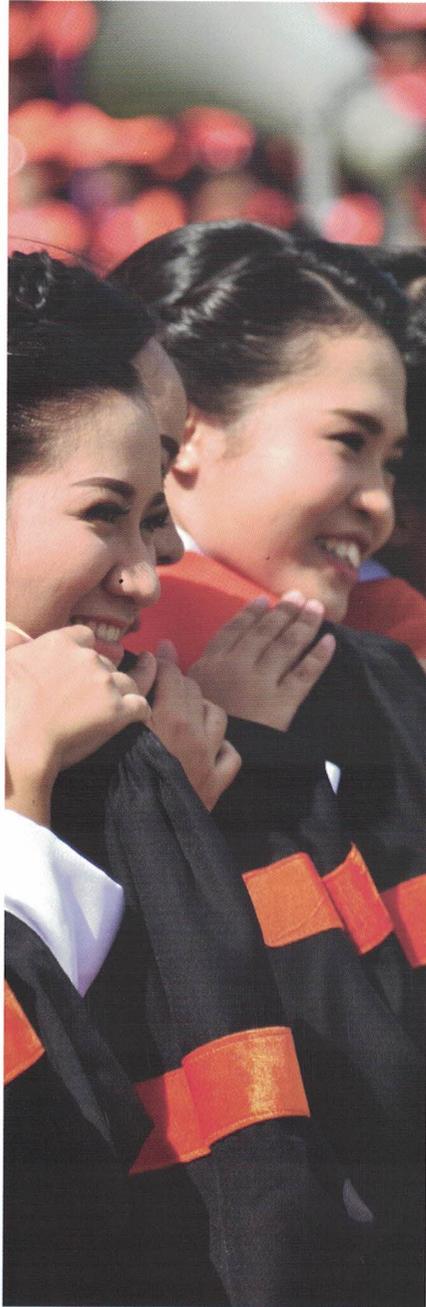

Prof. Dr. Sombat Thamrongthanyawong
President of Walailak University

Walailak University (WU) is a fully autonomous state university under the supervision of Thailand's Ministry of Education. It is designed as a comprehensive university, offering a wide range of degree programs at undergraduate and postgraduate levels in three major fields of study: health sciences, science and technology, and social sciences and humanities. The university is a residential university equipped with modern educational facilities, services and accommodation for students and staff, located against a beautiful backdrop of a mountain scenery in Thasala District, Nakhon Si Thammarat Province. The university, known as a Green Campus, is located amidst beautiful and green environment, providing a very pleasant atmosphere for students.
